

"Making tomorrow's leaders....one black belt at a time."

Dear Parents/Guardians,

I appreciate you giving me the wonderful opportunity to work out with your children. I am really enjoying my time with them.

We would like to invite you to help your child fill in Good Deeds that they accomplish. Good Deeds are designed to encourage young taekwondo students to be responsible and considerate. Good Deed examples: cleaning up without being asked, helping others, saying please and thank you without reminder. A star will be given for turning in four (4) of these sheets with name, date, description and adult's initials.

Thank you again for allowing me to work with your children.

Mr. Teboe
